Hajee Dr. H. MOHAMED MEERAN, M.A., M.Phil., Ph.D.,
Principal

RESEARCH PROMOTION POLICY

Research is a scientific process that leads to innovations and they lead to the development in every sphere of mankind. The Higher Educational Institutions are the base for the research activities. Hajee Karutha Rowther Howdia College, being a Higher Educational Institution has committed to promote the research culture among the staff and students. For this purpose it has evolved the Research Promotion Policy which not only encourages research aptitude but also enhances professional competency to accomplish global competency.

IN THE LIGHT OF THE POLICY

An Academic Dean (Research) has been appointed who initiates, promotes and monitors the research activities in the Institution. A Committee called Research Advisory Committee consisting of the Principal, Research Dean and Senior faculty members has been functioning to give suggestions for accelerating scientific temper through innovative projects, publications and research extensions.

The Research Advisory Committee is also encouraging the staff to obtain funds from UGC, CSIR, DST, ICHR, ICSSR etc..to promote research activities. The college is providing seed money to the staff for their research activities if their works are either delayed or postponed want of finance.

The Institution is establishing research relationships in the form of signing Memorandum of Understandings (MoUs), with National and International research institutions for widening the source of research activities.

The Institution is providing research infrastructure like well equipped laboratories, DELNET, Wi-Fi and Research journals.

The Institution is providing incentives to the staff members who publish research articles in the U.G.C recognised journals so as to place their articles in Scopus/web of science.

Ethics Committee has also been formed with senior faculties to inculcate research ethics among the staff. Through periodical meetings and resolutions it prevents the research work of the staff from plagiarism.

The college has been conducting State, National and International Level workshops, Conferences and Training programmes to promote research culture in campus.
