1.1.3 Average percentage of courses having focus on employability/ entrepreneurship/ skill development offered by the institution during the last five years

Name of the Course	Course Code	Activities/Content with direct bearing on Employability/ Entrepreneurship/ Skill development	Year of introduction (during the last five years)
English Speaking Skills- I	14UENN11	Skill development: Activities related to commmunication skills development are organized	2015-16
English Speaking Skills- II	14UENN21	Skill development: Activities related to commmunication skills development are organized	2015-16
Presentation Skills	14UENS32	Skill development: Classroom based activities such as self-presentation and presentation on assigned topics are organized	2015-16
Creative Writing	14UENS41	Skill development: Classroom based activities such as writing skill activities such as expository writing and drafting letters are organized	2015-16
Job Seeking Skills	14UENS42	Skill development: Mock Interviews and Resume Writing practice sessions are conducted	2015-16
Journalism & Mass Communication	14PENC43	Skill development: Field trips to newspaper offices to acquire knowledge of collecting news and writing features for newspapers and magazines	2015-16
English for Effective Communication	14PENN31	Skill development: Classroom based activities are conducted for building speaking and listening skills	2015-16

Mathematics for Competitive Examinations	14PMAN31	Employability: Provides mathematical aptitude techniques in solving profit and loss, simple and compound interest problems which helps to succeed in competitive exams.	2015-16
Drugs and Cosmetics	14UCHN21	Entrepreneurship: Train the students to become entrepreneur in making cosmetic and consumer products.	2015-16
Ornamental Fish Culture	14UZYN21	Entrepreneurship: Attain Knowledge and skill on various types of ornamental fish identification and its rearing methods.	2015-16
Economic Zoology	14UZYA41	Entrepreneurship: Acquire basic skills for establishing bee farm, sericulture unit, aquaculture and poultry	2015-16
Programming in JAVA	14UCSC31	Skill development:Able to implement the algorithms and draw flowcharts for solving Mathematical and Engineering problems.	2015-16
Numerical Methods	14UCSA41	Skill development:The major advantage of numerical methods is that a numerical value can be obtained even when the problem has no "analytical" solution.	2015-16
Quantitative Aptitude	14UCSS41	Employability: Make the students appear for National level examinations such as RRB,NET,IBPS,UPSC exams	2015-16
Dairy Technology	14UMBS12	Skill development: Processing of Milk and Milk Products	2015-16
Medical Lab Technology	14UMBS21	Employability: Employment opportunities in clinical laboratories.	2015-16

Entrepreneurship Development	14PCRE41	Entrepreneurship: Able to start the business concerns, become an entrepreneur	2015-16
Human Resource Management	14PCRC41	Employability: Ability to manage human resources in business enterprises	2015-16
Research Methodology	14PCRC32	Skill development: Enable the students to develop research design and apply innovative techniques in Social Science Research.	2015-16
Entrepreneurship	14UBAC32	Entrepreneurship: In particular the paper seeks to build the necessary competencies and motivation for a career in Entrepreneurship	2015-16
Personality Development	14UBAS31	Skill development: To help students understand the concept of all round development of personality.	2015-16
Communicative Skills	14UBAS41	Skill development : Communication skills helps a student in developing Confidence, They have to go through many books in order to understand individual subjects.	2015-16
Project work	14PCAP41	Entrepreneurship: Get trained on investigating a research problem	2015-16
Multimedia Lab	14UCTS4P	Skill development : Prepare the learners for image editing, photo retouching etc	2015-16
Fundamentals of Computers	14UHIS62	Skill development: Developing skills in MS office.	2016-17
Economics for Competitive Examinations	14UECS61	Skill development: To appear in various kinds of competitive examinations like TNPSC, UPSC,etc	2016-17

English for Employment	14UENC65	Employability: Classroom based vocabulary skill and wordpower activities are conducted	2016-17
Journalism & Mass Communication	14UENC55	Skill development: Field trips to newspaper offices to acquire knowledge of collecting news and writing features for newspapers and magazines	2016-17
Translation - Theory and Practice	14UENC63	Employability: Classroom activites involving translating simple vernacular literary texts	2016-17
Mathematics for Competitive Examinations	14UMAS61	Employability: Provides mathematical aptitude techniques in solving profit and loss, simple and compound interest problems which helps to succeed in competitive exams	2016-17
Electronics-I	14UPHC53	Skill development : Developing skills related to Design/troubleshoot/analyze electronic systems	2016-17
Applied Physics I	14UPHS51	Skill development /Enterpreneurship : Enhances skills related to Optical Network Communications	2016-17
Electronics-II	14UPHC63	Skill development : Developing skills related to Design/troubleshoot/analyze electronic systems	2016-17
Applied Physics II	14UPHS61	Employability/ Skill development : Developing skills/Provide job opportunities in various Bio labs	2016-17

Medical Laboratory Technology & Clinical Biochemistry	14UCHS61	Skill Development: Analysis and estimation of biomolecules, body fluids for clinical purpose. Employability: Quality Controller, Lab Technician	2016-17
Poultry Science	14UZYS51	Skill development: Attain basic skills to work in an animal farm. Acquaint w working principle with the various aspects of fowl rearing.	2016-17
Economic Entomology & Sericulture Technology	14UZYS61	Employability: Acquire knowledge on various kinds of economically important insects and pest varieties. Attain the basic skills to work in sericulture industry.	2016-17
Software Engineering	14UCSC52	Employability: Expose project planning, analysis of software project, understand the quality concepts for ensuring the functionality of the software to satisfy the regional needs	2016-17
Web Technology & Design	14UCSC62	Employability: Acquire knowledge to design a website	2016-17
Computer Graphics	14UCSC61	Skill development:Make them aware of the concepts of clipping and visible surface detection in 2D and 3D viewing, and Illumination Models.	2016-17
Multimedia Technology	14UCSC63	Employability:Make the students develop multimedia products by acquiring, integrating and producing the various multimedia elements	2016-17
Food Microbiology	14UMBC63	Employability: Job opportunities in food industry.	2016-17

Human Resource Management	14UCRC54	Employability: To enable management of human resources in business enterprises	2016-17
Arithmetic Ability	14UCRS41	Skill development: Acquire knowledge about the usage of arithmetic methods	2016-17
Elements of Tally	14UCRS61	Skill development: Learn computerised accounting knowledge	2016-17
Communicative Skills	14UCRS51	Skill development: To equip the skill of communication with others	2016-17
Entrepreneurship Development	14UCRC65	Entrepreneurship: Able to start the business concerns	2016-17
Interview Procedure	14UBAS61	Employability: Skilled self-motivation and to motivate others and the ability to solve problems.	2016-17
Group Discussion	14UBAS62	Skill development : Group Discussion assesses the overall personality – thoughts, feelings and behaviour - of an individual in a group.	2016-17
Numerical Aptitude	14UCTS61	Skill development : Prepare the learners to increase accuracy.	2016-17
Biometrics	14UCTS51	Employability : Provides the knowledge of how to measure physical characteristics to verify their identity.	2016-17
Computer Networks	14UCTE61	Employability : Prepare learners for Networking and Resource Sharing.	2016-17
Artificial Intelligence and Expert System	14UCTE62	Employability : Provides the knowledge of how to solve complex problems by reasoning.	2016-17
Arabic Based Computer Skill I	16UARA11	Employability: Arabic DTP, Data entry operators in Software and Publishing companies	2016-17

Arabic Based Computer Skill II	16UARP21	Employability: Arabic DTP, Data entry operators in Software and Publishing companies	2016-17
Tourism Product	17UHVA21	Employability: Employment opportunities in the fastest growing Tourism Industry.	2017-18
General Studies for Competitive Examinations	17PHIC23	Employability: Prepare for Central and State level Competitive Examinations	2017-18
Archaeology	17PHIE12	Employability: To become an Archaeologist.	2017-18
Economic Statistics –I	17UECC12	Skill development: It enhances the statistical knowledge and application of statistical tools	2017-18
Economic Statistics –II	17UECC22	Skill development: It enhances the statistical knowledge and application of statistical tools	2017-18
Salesmanship and Sales Management	17PECE22	Employability: Gives more access to employment like salesman and sales executives	2017-18
English Speaking Skills I	17UENN11	Skill development: Activities related to commmunication skills development are organized	2017-18
English Speaking Skills II	17UENN21	Skill development: Activities related to commmunication skills development are organized	2017-18
English Literature for Career Development	17PENE21	Employability: NET/SET Examinations	2017-18
Arithmetic Ability	17UMAS11	Skill development : Get trained in competitive Examinations	2017-18

Electricity	17UPHC21	Skill development / Employability : Developing skills/Provide job opportunities in Electrical network designing	2017-18
Applied Electronics	17PPHC13	Skill development : Developing skills to analyze various semi conductor device	2017-18
Drugs and Cosmetics	17UCHN21	Entrepreneurship: Train the students to become entrepreneurs in making cosmetic and consumer products.	2017-18
Medicinal and Pharmaceutical Chemistry	17PCHE11	Employability: Provide employments in Pharma industries and Clinical laboratories.	2017-18
Analytical Chemistry	17PCHE21	Employability: Instrumentation skills provide job opportunities in Research fields and various Chemical Industries.	2017-18
Advances in Chemistry	17MCHE11	Skill development: Enhances new projects and discoveries.	2017-18
Ornamental Fish Culture	17UZYN21	Entrepreneurship: Attain knowledge and skill on various types of ornamental fish identification and its rearing methods.	2017-18
Poultry Science	17UZYS21	Skill development: Attain the basic skills to work in an animal farm. Acquaint with the working principle of various aspects of fowl rearing.	2017-18
Fisheries Biology	17UZYS11	Employability: To attain knowledge and skills on commercial fisheries.	2017-18
Commercial Zoology	17UZYN11	Employability: Acquire basic skills for establishing bee farm, sericulture unit, aquaculture and poultry	2017-18

Biotechnology	17PZYE11	Skill development: Knowledge on various techniques involved in synthesis of biologically manipulated materials.	2017-18
Nano Technology	17PZYE21	Skill development: Acquire basic knowledge on nano particle synthesis and its applications.	2017-18
Microbiology and Immunology	17PZYC21	Skill development: Attain knowledge on handling, culture and diagnostic methods of various microbes and immunodiagnostic procedures	2017-18
Programming in C	17UCSC11	Employability: It is best used for data structures and designing system software.	2017-18
Computer Fundamentals and Office Automation	17UCSN11	Skill development: Office automation systems help in optimizing the existing office procedures by saving time, money and human efforts.	2017-18
Introduction to Internet and HTML	17UCSN21	Employability:Making students aware on the web site designing through html.	2017-18
Vaniga Kadithangal	17UCRL11	Employability: To know the methods of letter writing practices	2017-18
Aluvalaga Melanmai	17UCRL21	Employability: Acquire knowledge of office affairs and management practices, become office managers	2017-18
Human Resource Management	17PCRC12	Employability: To enable the students to learn the Human Resource Management practices	2017-18
Research Methodology	17PCRE21	Skill development: Enable the students to develop research design and apply innovative techniques in Social Science Research.	2017-18

Course	Code	Outcome	Year
Applied Operation Research	17PCRE11	Employability: Equip and practice business operations techniques	2017-18
Financial Markets and Institutions	17PCRC21	Employability: It enables the students to understand the concept of Financial Markets, assisting institutions and become fund managers	2017-18
Investment Management	17PCRC24	Employability: Acquire knowledge and application about investment pattern, securities markets	2017-18
Vaniga Kadithangal	17UBAL11	Employability: Comprehend practical knowledge in Business Letter writing.	2017-18
Financial Accounting I	17UBAC12	Employability: To enable the students gain basic knowledge and skills relating to fundamental accounting principles and practices.	2017-18
Aluvalaga Melanmai	17UBAL21	Employability: To understand the nature and type of businesses and the procedures required for managing them.	2017-18
Financial Accounting II	17UBAC22	Employability: To enable the students gain basic knowledge and skills relating to fundamental accounting principles and practices.	2017-18
Economic development of India	17UCBA21	Employability : Decision Making in the economic development of India	2017-18
Aluvazhaga Melaanmai	17UCAL21	Skill development: Gain knowledge on administration and functions of an office	2017-18
Programming in C	17UCAC22	Employability: Gain basic knowledge on C language	2017-18
Programming in C- Lab	17UCAC2P	Employability: Get special knowledge on C language to solve business problems	2017-18

Vaniga Kadithangal	17UCAL11	Skill development: To build various offical letters and idea regarding communcation in organisation	2017-18
Introduction to PC Software and MS Office	17UCAC12	Skill development: Gain the knowledge on Computer Concepts and Operating system, Network Concepts	2017-18
Introduction to PC Software and MS Office	17UCAC1P	Skill development: Gain the practical knowledge on Computer Concepts and Operating system, Network Concepts	2017-18
Computer Applications in Business- Lab	17PCAC1P	Skill development: Gain the practical knowledge on Computer Concepts and Operating system, Network Concepts	2017-18
Computer Applications in Business	17PCAC13	Skill development: Gain the knowledge on Computer Concepts and Operating system, Network Concepts	2017-18
Financial Management	17PCAC22	Employability: Learn the fundamentals of accounting	2017-18
Applied Operation Research	17PCAE11	Skill development: To gain various resource Management Techniques	2017-18
Web programming	17PCAC23	Employability: Gain basic knowledge on Internet and web design	2017-18
Advanced Business Statistics	17PCAE21	Entrepreneurship: Learn handling of various statistical tools to solve the business problems	2017-18
Web programming- Lab	17PCAC2P	Employability: Gain practical knowledge on Internet and web design	2017-18
Arabic Based Computer Skill I	17UARA11	Employability: Arabic DTP, Data entry operators in Software and Publishing companies	2017-18

Course Name	Course Code	Description	Year
Arabic Based Computer Skill II	17UARA2P	Employability: Arabic DTP, Data entry operators in Software and Publishing companies	2017-18
Nutrition	17UBCS11	Skill development: Making students aware on their health through nutrition studies	2017-18
Human Health & Nutrition	17UBCN11	Employability: Awareness on the importance of health & Hygiene	2017-18
Medical Lab Technology	17UBCS21	Employability: Students understand the basics of biochemical diagnosis	2017-18
Herbal Medicine	17UBCN21	Employability: To develop traditional herbal system and herbal marketing	2017-18
நவீன இலக்கியக் கோட்பாடுகள்	16PTME11	Skill development – போட்டித் தேர்வுகளை எதிர்கொள்ளும் திறனை மேம்படுத்துதல்	2017-18
ஒப்பிலக்கியம்	16PTMC14	Employability – ஒப்பிலக்கியத் துறை சார்ந்த அறிவை வளர்த்துக் கொள்ளல்	2017-18
Tourism Marketing	17UHVA31	Employability: Employment creation such as tourist guide, tour operator and travel agent.	2018-19
Panchayat Raj	17UHIS31	Employability: Prepare for Competitive Examinations	2018-19
Tourism and Travel Management in India	17UHVA41	Skill development: Prepare students in Travel Management and Tourism Industry.	2018-19
Epigraphy	17PHIE42	Skill development: Deciphering Inscriptional Evidences to reconstruct history.	2018-19
Entrepreneurship Development	17UECS31	Entrepreneurship: Helps to do own business	2018-19

Industrial Economics	17UECC43	Entrepreneurship: To gain more knowledge on the functioning of industries	2018-19
Computer Application in Business	17PECE31	Employability: Helps to gain more knowledge on computer and its application	2018-19
Statistics	17PECE32	Skill development: It enhances the statistical knowledge and application of statistical tools	2018-19
Economics for SET and NET	17PECE41	Skill development: Helps to obtain jobs like Assistant Professor position	2018-19
Economics for Competitive Examinations	17PECE42	Skill development: To appear in various ypes of competitive examinations like TNPSC, UPSC	2018-19
Presentation Skills	17UENS41	Skill development: Classroom based activities such as self-presentation and presentation on assigned topics are organized	2018-19
Word Power	17UENS31	Skill development: Classroom based vocabulary skills and wordpower activities are organized	2018-19
English Language Teaching	17PENC42	Employability: Classroom based Seminars and Micro-teaching sessions are organized	2018-19
Journalism and Mass Communication	17PENC43	Skill development: Field trips to newspaper offices to acquire knowledge of collecting news and writing features for newspapers and magazines	2018-19
Functional English	17PENN31	Skill development: Classroom based activities related to speaking and writing are organized	2018-19

Mathematics for Competitive Examinations	17PMAN31	Employability: Provides mathematical aptitude techniques in solving profit and loss, simple and compound interest problems which helps to succeed in competitive exams.	2018-19
Optics And Laser	17UPHC41	Employability : Provide employability as fibre optical technician	2018-19
Applied Optics And Laser Physics	17PPHC33	Skill development : Enhances skills related to Optical Communication	2018-19
Electronics, Designs And Instrumentation	18PPHC12	Skill development: Developing skills related to Design digital electronic systems	2018-19
Fiber Optics Communication	18PPHE12	Employability: Provide employment as fibre optical technician	2018-19
Quantitative Aptitude and Reasoning	18PPHE21	Skill development : Enhance skills related to various competitive exam	2018-19
Electronics Practical - I	18PPHC1P	Skill development : Skill development on Troubleshooting electronic devices	2018-19
Applications of Chemistry	17PCHN31	Skill development: Help us to solve many future problems including sustainable energy and leading to new discoveries	2018-19
Quantum,Nano and Macromolecular Chemistry	17PCHE31	Skill development: Helps to predict Chemical and Physical properties of molecules and materials, which is useful to many fields of Science and Engineering.	2018-19
Biostatistics & Bio informatics	17PZYE31	Skill development: Applying statistical & insilico tools in data analysis	2018-19
General and Applied Entomology	17PZYC41	Employability: Acquire knowledge on various kinds of economically important insects and about important pest varieties to work in the field of entomology	2018-19

Course	Code	Focus	Year
Aquaculture and Farm Management	17PZYE42	Employability: To attain knowledge and skills in economically important fishes and their rearing methods.	2018-19
Clinical Lab Techniques	17PZYE41	Skill development: Analysis of biological samples and their interpretation Employability: sample analysis, job in clinical labs	2018-19
Medical Lab Techniques	17PZYN31	Skill development: Analysis of biological samples and their interpretation Employability: sample analysis, job in clinical labs	2018-19
Programming in Java	17UCSC31	Skill development:Able to implement the algorithms and draw flowcharts for solving Mathematical and Engineering problems.	2018-19
Numerical Methods	17UCSA41	Skill development: Training the students to check programming languages through numerical methods.	2018-19
Quantitative Aptitude	17UCSS41	Employability: Make the students appear for National level examinations such as RRB,NET,IBPS,UPSC exams	2018-19
Linux Shell Programming	17UCSS3P	Skill development: Training the students to use Linux commands.	2018-19
RDBMS	17UCSC4P	Skill development: Training the students to use RDBMS for obtaining jobs in companies.	2018-19
Android Programming Lab	17PCSC3Q	Skill development:Develop students knowledge on applications of basic graphical primitives on the screen.	2018-19

Project	17PCSC4P	Skill development: Making students aware of acquiring a new or modified data system.	2018-19
Banking Management	17UCRA31	Employability: Able to do the business payments through banks and become bank employees	2018-19
MS Office Practical	17UCRS31	Skill development: To develop the skill of Data collection and analysis with the help of MS Office, Practical Training using MS Office	2018-19
Arithmetic Ability	17UCRS41	Skill development: Acquire the usage of arithmetic methods	2018-19
Business Statistics	17UCRC31	Entrepreneurship: Learn handling of various statistical tools to solve the business problems	2018-19
Cost Accounting	17UCRC32	Employability: To know the computation of cost and become cost accountant/cost controller	2018-19
Management Accounting	17UCRC42	Employability: Acquiring knowledge on preparation of Accounts with internal management and become an accountant	2018-19
Enterprise Resource Planning	17PCRC31	Employability: It enables to make effective plan for optimum utilisation of resources	2018-19
Data Analysis for Researchers	17PCRC32	Skill development: Provides tools used for analysis to research work and become a researcher	2018-19
Direct Taxes	17PCRE31	Employability: It creates more employable opportunities in Taxation.	2018-19
Indirect Taxes Law and Practice	17PCRC41	Employability: It creates more employable opportunities in Taxation.	2018-19

Project	17PCRP41	Skill development: To enable the students to develop research design and apply innovative techniques in Social Science Research	2018-19
Entrepreneurship Development	17PCRE41	Entrepreneurship: Able to start the business concerns	2018-19
Human Resource Development and Practice	17PCRN31	Employability: To enable management of human resources in business enterprises	2018-19
Personality Development	17UBAS31	Skill development :To help students understand the concept of all round development of personality.	2018-19
Entrepreneurship Development	17UBAC32	Entrepreneurship: In particular the paper seeks to build the necessary competencies and motivation for a career in Entrepreneurship	2018-19
Cost Accounting	17UBAC33	Employability:To impart the learners the knowledge of cost accounting principles To enable the learners to ascertain and control material, labour and overhead costs	2018-19
Computer Applications in Business - I	17UBAC34	Skill development : To enable the students acquire basic knowledge in the fundamentals of computers and its applications in the various areas of business.	2018-19
Business Statistics	17UBAA31	Skill development : To make learners understand the application of Statistics in business	2018-19

Management Accounting	17UBAC43	Employability: The objective is to introduce the basic concepts in accounting which can be applied in managing the funds of a firm.	2018-19
Computer Applications in Business -II	17UBAC44	Skill development : To enable the students acquire basic knowledge in the fundamentals of computers and its applications in the various areas of business.	2018-19
Business Mathematics	17UBAA41	Skill development : To make learners understand the application of mathematics in business	2018-19
Customer Relationship Management	17UCBS41	Entrepreneurship: CRM systems can be easily customized to meet the specific needs of any business type and size.	2018-19
MS Office	17UCBS31	Entrepreneurship: Learn fundamentals of M S Office	2018-19
Database Management System	17UCAC32	Skill development: The ability to use the data effectivelly and utilise Data software	2018-19
Database Management System- Lab	17UCAC3P	Employability: Able to solve business problems through the usage of DBMS	2018-19
Human Resource Management	17UCAC34	Employability: Human resource manager- personal manager	2018-19
Partnership Accounts	17UCAC43	Employability: Able to prepare books of accounts for Partnership firms.	2018-19
Commerce Practical	17UCAS41	Skill development: Gain knowledge on filling up various forms and e payment	2018-19
Business Statistics	17UCAA31	Employability: Acquire the basic skills of data collection, sampling, classification and apply the tools	2018-19

Cost and Management Accounting	17UCAC41	Skill development: Gain the various Techniques of Cost and Management Accounting in Business Decision Making Process.	2018-19
Visual Programming using VB	17UCAC42	Employability: Acquire the basic skill to develop a front tool for customer interaction in business	2018-19
Visual Programming	17UCAC4P	Employability: Acquire the basic skill and practical knowlege to develop a front tool for using vb	2018-19
Business Mathematics	17UCAA41	Skill development: To understand the various techniques of Cost and Management Accounting in Business Decision Making Process.	2018-19
Advanced Corporate Accounting	17PCAC31	Employability: Able to prepare books of accounts for Joint Stock Companies	2018-19
Programming in C++ Lab	17PCAC3P	Employability: Able to solve business problems to utilize C++ software	2018-19
Programming in C++	17PCAC32	Employability: Gain the basic knowledge on C++ Software	2018-19
E-Business Application	17PCAC43	Skill development: Acquire the knowledge about E-commerce working models and recent technologies	2018-19
Customer Relationship Management	17PCAC42	Skill development: To build customer relationships by learning customer behaviour	2018-19
Indirect Taxes	17PCAE41	Employability:To enable the learners to estimate the indirect taxes and laws regarding Central Excise and GST	2018-19

Enterprises Resources Planning	17PCAE42	Skill development: To gain latest knowledge of ERP and Implementing in the organisation activities	2018-19
Arabic for Communication	17UARA31	Employability: Office Assistants, Camp Managers in Arab countries. Reporters for Arab News agencies in India	2018-19
Commercial Arabic	17UARA41	Employability: Arabic Content developers for Arabic web sites, Arabic ad designers for Arab newspapers and Public relation officers for Arab companies in India.	2018-19
மரபு - புதுக்கவிதையும் சிறுகதையும்	18UTAC11	Employability : போட்டித் தேர்வுகளை எதிர்கொள்ளும் திறனை மேம்படுத்துதல்	2018-19
தமிழ் இலக்கிய வரலாறு அறிமுகம் -2	18UTAA21	Employability: போட்டித் தேர்வுகளை எதிர்கொள்ளும் திறனை மேம்படுத்துதல்	2018-19
Fundamentals of Computer and Microsoft Office	17UHVC54	Skill development: Developing skills in MS office.	2019-20
Eco Tourism	17UHVE51	Activities: Visiting Eco-Tourism destinations.	2019-20
Journalism	17UHIC65/17UHVC65	Employability: Prepare students to become a professional journalist.	2019-20
History for Competitive Examinations	17UHIC62/17UHVC62	Employability: Prepare for Central and State level Competitive Examinations.	2019-20
Economics for Competitive Examinations	17UECA61	Skill development: To appear in various kinds of competitive examinations like TNPSC, UPSC	2019-20
Economics of Marketing	17UECC55	Employability: To employ as salesman	2019-20

Fundamentals of Computer – I	17UECS51	Skill development: Improves the knowledge on computer and its application in economics	2019-20
Fundamentals of Computer – II	17UECS61	Skill development: Improves the knowledge on computer and its application in economics	2019-20
Creative Writing	17UENS51	Skill development: Classroom based activities such as writing skill activities such as expository writing and drafting letters are organized	2019-20
English Language Teaching	17UENC54	Employability: Classroom based Seminars and Micro-teaching sessions are organized	2019-20
Journalism and Mass Communication	17UENC53	Skill development: Field trips to newspaper offices to acquire knowledge of collecting news and writing features for newspapers and magazines	2019-20
Translation Studies	17UENC62	Employability: Classroom activites involving translating simple vernacular literary texts	2019-20
Job Seeking Skills	17UENS61	Skill development: Mock Interviews and Resume Writing practice sessions are conducted	2019-20
English for Competitive Examinations	17UENC64	Employability: Class tests are conducted to evaluate the students' level in clearing competitive examinations	2019-20
Mathematics for competitive examinations	17UMAS61	Employability: Provides mathematical aptitude techniques in solving profit and loss, simple and compound interest problems which helps to succeed in competitive exams	2019-20

Applied Physics I	17UPHS51	Skill development /Enterpreneurship: Enhances skills related to Optical Network Communications	2019-20
Digital Electronics	17UPHC63	Skill development: Developing skills related to Design/troubleshoot/analyze electronic systems	2019-20
Applied Physics II	17UPHS61	Employability/ Skill development: Developing skills/Provide job opportunities in various Bio labs	2019-20
Analog Electronics	17UPHE51	Skill development: Developing skills related to Design/troubleshoot/analyze electronic systems	2019-20
Digital Electronics	17UPHE61	Skill development: Developing skills related to Design/troubleshoot/analyze electronic systems	2019-20
Electronics Practical - I	17UPHC6Q	Skill development: Developing skills related to Design/troubleshoot/analyze electronic systems	2019-20
Electronics Practical - II	17UPHC6R	Skill development: Developing skills related to Design/troubleshoot/analyze electronic systems	2019-20
Medical Physics and Opto Electronics	18PPHN31	Employability: Provide job opportunities in various Bio labs	2019-20
Electronics Practical - III	18PPHC3P	Skill development: Skill development on Troubleshooting electronic devices	2019-20
Organic Chemistry - I	17UCHC51	Skill development: Imparts knowledge on the chemistry of aromatic hydrocarbons, halogen, nitro, amino compounds and concepts and applications of stereoisomerism.	2019-20

Physical Chemistry - II	17UCHC62	Skill development: Develops knowledge on basic concepts and application of electrochemistry, ionic equilibrium, group theory and molecular spectroscopy.	2019-20
Organic and Analytical Chemistry	17UCHC61	Skill development: Develops theoretical skills on chemistry of functional groups, spectroscopy and analytical chemistry.	2019-20
Organic and Pharmaceutical Chemistry	17UCHS51	Skill development: Imparts knowledge on the concepts of carbohydrates, hormones, vitamins, chemotherapy, antibiotics and anaesthetics. Employability: As Chemist, Drug Designer / Research in Pharmacological based industry. Analytical Chemist in R & D wing of Pharma industry producing skin / health care products. Biotechnologist in biotech laboratories.	2019-20
Physical Chemistry and Computers in Chemistry	17UCHC52	Skill development: Develops theoretical skills on the concepts of phase rule, order of reactions and thermodynamics. Develops the skill to utilize chemistry-related application softwares available in websites.	2019-20
Medicinal Laboratory Technology and Clinical Biochemistry	17UCHS61	Skill development: Analysis and estimation of biomolecules, body fluids for clinical purpose. Employability: Quality Controller	2019-20

Course	Code	Outcome	Year
Economic Entomology and Sericulture Technology	17UZYS61	Employability: Acquire knowledge on various kinds of economically important insects and pest varieties. Attain the basic skills to work in sericulture industry.	2019-20
Microbiology	17UZYC52	Skill development: Attain knowledge on handling, culture and diagnostic methods of various microbes.	2019-20
Immunology	17UZYS51	Skill development: Knowledge on immunodiagnostic procedures	2019-20
Software Engineering	17UCSC52	Employability: Expose project planning, analysis of software project, understand the quality concepts for ensuring the functionality of the software to satisfy the regional needs	2019-20
Web Technology and Design	17UCSC62	Employability: To train the students design the website creation on its own idea.	2019-20
Computer Graphics	17UCSC61	Skill development:Make them aware of the concepts of clipping and visible surface detection in 2D and 3D viewing, and Illumination Models.	2019-20
Multimedia Technology	17UCSC63	Employability:Make the students develop multimedia products by acquiring, integrating and producing the various multimedia elements	2019-20
Computer System Architecture	17UCSE52	Skill development:This has enabled users to work from anywhere as long as there is a connection established.	2019-20

Advanced JAVA Programming Lab	17UCSC5Q	Skill development: To make the students design an enterprise based applications by encapsulating an application's business logic	2019-20
Computer Networks	17UCSC53	Employability : Prepare learner for Networking and Resource Sharing.	2019-20
Net Programming	17UCSC5P	Employability: Training the students to use web development for obtaining jobs in companies.	2019-20
Web Programming	17UCSC6P	Employability: Gain basic knowledge on Internet and web design	2019-20
Multimedia	17UCSC6Q	Skill development: Training the students in multimedia and photoshop tools	2019-20
Medical Microbiology	17UMBC51	Skill development: Diagnosis of infectious diseases.	2019-20
Agriculture& Environmental Microbiology	17UMBC52	Employability: Job opportunities in bio fertilizer industry.	2019-20
Bioinformatics	17UMBE51	Skill development: To develop skill in computational biology.	2019-20
Industrial & Food Microbiology	17UMBE61	Entrepreneurship: Provide job opportunities in food industry.	2019-20
Communicative Skills	17UCRS51	Skill development: To equip the skill of communication with others	2019-20
Investment Management	17UCRC54	Employability: Acquiring knowledge about investment pattern, securities markets	2019-20
Entrepreneurial Development	17UCRC65	Entrepreneurship: Able to start the business concerns	2019-20
Accounting Package	17UCRS61	Skill development: Learn computerised accounting knowledge	2019-20

Income Tax Law and Practice I	17UCRC52	Employability: It creates more employable opportunities in Taxation.	2019-20
Indirect Taxes	17UCRE61	Employability: It creates more employable opportunities in Taxation.	2019-20
Financial Management	17UCRC62	Employability: Students will be able to design the capital structure of a firm and become finance personnel	2019-20
Income Tax Law and Practice II	17UCRC63	Employability: It creates more employable opportunities in Taxation.	2019-20
Interview Procedure	17UBAE51	Employability: Skilled in self-motivation, the ability to motivate others and to solve problems.	2019-20
RETAIL MARKETING	17UBAS51	Skill development: Communication skills helps a student in developing Confidence. They have to go through many books in order to understand individual subjects.	2019-20
Production and Operations Management	17UBAC51	Employability: Understand the strategic role of operations management in creating and enhancing a firm's competitive advantages	2019-20
Marketing Management	17UBAC52	Employability: To understand the importance of over all marketing.	2019-20

Course	Code	Outcome	Year
Financial Markets and Services	17UBAE52	Employability : To develop the marketing strategies to allocate savings efficiently in an economy to ultimate users either for investment in "The financial system is also divided into users of financial services . The Preamble to the Reserve Bank of India Act, 1934 spells out the objectives ...C61 funds, bonds of PSUs and All-India financial institutions.	2019-20
Management Information System	17UBAC61	Skill development : The conceptualization of Information Systems as structured configurations of elements behaving collectively to serve the information needs of an organization.	2019-20
Financial Management	17UBAC62	Skill development : To make the students gain knowledge about financial management by studying theory and solving some problems.	2019-20
Total Quality Management	17UBAC63	Employability: Early mistake recognition, Mistake prevention as a preventive step, Avoidance of wastes.	2019-20
Enterprise Resource Planning	17UBAC65	Employability : Enterprise Resource Planning is the latest high end solution, information technology has lent to business application.	2019-20
E - Commerce and E - Banking	17UCBC64	Employability: Able to learn E-Banking and E-Business	2019-20

International Trade	17UCBC65	Entrepreneurship: Understand how the basic principles of marketing are applied in a variety of diverse cultural, political, legal and economic environments	2019-20
Income Tax Law and Practice	17UCBC51	Skill development : Enable the learners to be familiar with the various terminologies of Income Tax Act	2019-20
Human Resource Management	17UCBC54	Employability: Enable the students to learn the Human Resource Management practices	2019-20
Elements of Tally	17UCBS51	Skill development : Ability to do accounts through Tally Software	2019-20
International Banking	17UCBE61	Employability: Able to learn the global banking system	2019-20
Internet and Web Design	17UCAC53	Skill development: The ability to create webpage and internet knowledge	2019-20
Internet and Web Design-Lab	17UCAC5P	Skill development: To develop the webpage with various features	2019-20
Entrepreneurial Development	17UCAE51	Skill development: To become an Entrepreneurial to start a new venture(MSME)	2019-20
Corporate Accounting II	17UCAC64	Employability: Acquire the knowledge to find out cost of production	2019-20
Multimedia Lab	17UCAS51	Skill development: To learn multimedia and photoshop tools	2019-20
Customer Relationship Management	17UCAE61	Skill development: To build customer relationships by learning customer behaviour	2019-20

Course	Code	Outcome	Year
Income Tax Law and Practice I	17UCAC52	Employability: Acquire the basic skills and to become familiar with the various terminologies of Income Tax Act and computation of Capital gains and income from other sources	2019-20
Income Tax Law and Practice II	17UCAC62	Employability: Acquire the knowledge about set off and carry forwards of losses and advance payment of tax, TDS	2019-20
Computer Networks	17UCAC63	Entrepreneurship: Gain special knowledge on different types of Computer Networks	2019-20
Statistics and Aptitude	17UCTA41	Employability : Prepare learners to provide methods of organising and simplifying data.	2019-20
Mobile Application Development Lab	17UCTS4P	Employability : Enhances mobile programming that makes it unique from programming for other platform.	2019-20
Internet and Web Programming	17UCTN21	Employability : Knowledge about how the client server model of internet programming works.	2019-20
Artificial Intelligence and Expert Systems	17UCTE62	Employability: Knowledge about how to solve the most complex issues in a specific domain.	2019-20
Office Automation Lab	17UCTS2P	Skill development : Familiarize the students in preparation of documents and presentations with Office automation tools.	2019-20

Translation Skills I	17UARS51	Employability: Translators for Medical Tourists from the Arab World. Translation of Documents to and from Arabic. Translators for business with the Arab World. Teaching jobs in Arabic. Proofreaders, Content Developers, Editors in Publishing companies	2019-20
Translation Skills II	17UARS61	Employability: Translators for Medical Tourists from the Arab World. Translation of Documents to and from Arabic. Translators for business with the Arab World. Teaching jobs in Arabic. Proofreaders, Content Developers, Editors in Publishing companies	2019-20
Vermi Composting & Mushroom Culture	17UBCS51	Entrepreneurship: Students will be exposed to different species of mushroom cultivation, harvesting, preservation, and to make business options	2019-20
இதழியல் அறிமுகம்	18UTAC54	Employability: இதழியல் துறை சார்ந்த அறிவை வளர்த்துக் கொள்ளல்	2019-20
சுற்றுலாவியல்	18UTAC55	Employability: சுற்றுலாத்துறையில் வேலை வாய்ப்பை உருவாக்கிக் கொள்ளும் திறனை வளர்த்தல்	2019-20
English Grammar and Communicative skills	18UTAS51	Employability: போட்டித் தேர்வுகளை எதிர்கொள்ளும் திறனை மேம்படுத்துதல்	2019-20

| நாட்டுப்புறவியல் | 18UTAC63 | Employability: போட்டித் தேர்வுகளை எதிர்கொள்ளும் திறனை மேம்படுத்துதல் | 2019-20 |
