IT-POLICY

The institution has resolved to create an IT infrastructure accessible to all its stakeholders. In this endeavour, the HEI has crafted an IT policy.

- Provide High-Speed internet connectivity for all the Students and Staff.
- Maintain the HEI as a Wi-Fi enabled campus.
- Ensure a safe & secure IT network with firewalls (both software and hardware).
- Ensure Teaching and Learning goes non-stop by offering necessary support blended learning.
- Implement the office automation process by providing RFID cards and Bio-Metric sensors.
- To provide uninterrupted power supply throughout the campus.
- Zero tolerance towards piracy.
- To move the ERMS from campus centric to cloud based service.
- The campus is secured through CCTV-surveillance.
- Digitalise the communication process to ensure quick delivery of messages and circulars.
- All classrooms are ICT enabled.
- To increase the student – computer ratio.
- To ensure LMS platform accessible to all stakeholders.
- A dedicated Media Centre is established in the campus for the creation of E-contents.
- To foster innovative ideas among the stakeholders through indigenous practices
- The HEI extends its IT infrastructure to the community for conducting competitive examinations.
